

Atlantic

up to £60,000 cash rating (Grades I – IV)

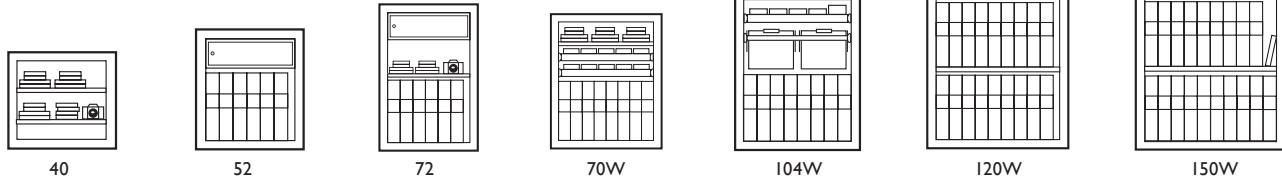

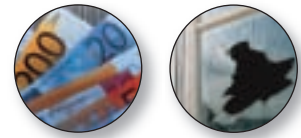

Model above is
120W

With the escalating threat of armed attack, retail stores, banks and commercial businesses are striving for high quality safe solutions. The Atlantic safe from Rosengrens is one possible answer: Constructed from a new lightweight material, this graded safe assures protection against theft. Boasting features such as £60,000 cash rating, certification to the latest European standards and high-security locking confirms a modern specification. As with many other Rosengrens safes, the Atlantic can be customised with a range of locking and fitting options. With all these advantages packed into a cash safe, you may find it hard to resist...
