

## Lightweight and Certified Grade II cash safe

# Sovereign Elite (Grade II)

£17,500 cash protection

Since its inception, the Sovereign Elite Grade 0-I has maintained the technology, reliability and flexibility that is associated with all Chubb safes products. With the NEW Sovereign Grade II, Chubb safes are set to build upon the success of its lower graded predecessor.

This high quality cash safe successfully integrates a new revolutionary barrier material. Such construction ensures that this new model is up to 25% lighter than the previous Grade II Sovereign. Other benefits include higher levels of security and easier product handling during installations.

Other key features include certified to the latest European standards, EN1300 locking and a wide range of customisation options (e.g. shelf, full-width drawer and lockable cupboard). With so many benefits, the NEW Sovereign Grade II is destined to continue its popularity with many small retailers and businesses.

## Quality Features

### Testing

Tested and certified by the ECB.S to European Standard EN1143-1.

### Manufacture

Manufactured to an ISO9001 accredited quality assured process.

### Locking

Supplied with a high security EN1300 approved class A keylock. A wide variety of mechanical electronic, time and time delay locks can be fitted on special request.

### Construction

Constructed using Chubb's revolutionary new lightweight barrier material, Ensures higher levels of security and fire protection.

### Boltwork

Three way engagement with 28mm moving bolts extending from 3 sides of the door that secure the door effectively into the body. The 3 way moving boltwork provides effective defence against attacks.

An active re-locker is integrated in the boltwork to provide additional security.

### Base fixing

A steel bush is welded in the safe base to accept a Chubb-specified anchor bolt.

### Cash rating

The recommended cash rating is £17,500.

### Jewellery Rating

The cash rating is multiplied by a factor of 10 for jewellery so a Sovereign Elite Grade II with a cash rating of £17,500 will allow for storing jewellery worth £175,000 in domestic situations. Always consult your Insurer for confirmation.

## Design Features

### Size

Available in six sizes.

### Finish

Supplied in a contemporary satin two-tone grey finish.

### Design

Ergonomical design with Chubb's handle for comfortable and smooth operation.

## Customisation

Dependant on grade and size, the Sovereign Elite safe can have a different lock or fitting (e.g. cupboard) to meet your customer requirements. For further details and technical information regarding customisation please feel free to contact Chubb'safes or your local authorised dealer. As always, Chubb'safes will endeavour to provide a customisation solution which meets your expectations.

**Please note:** The Sovereign Elite safe is supplied with shelves according to size. Customisation work available at an extra cost.
